PRESIDENT'S MESSAGE

I hope you are all enjoying a wonderful fall – whether at home taking in our beautiful fall colours or travelling to new and interesting destinations.

2012 is CFUW Etobicoke's 60th year and our season got off to a good start at our meeting in September. We had a very good evening with a large turn-out for our Interest Group sign-up. Maureen Willis, our Interest Group Co-convener, oversaw the details and set-up for the Interest Group portion of our evening – thanks to Maureen and her team for their work. Representatives for each of our 40 Interest Groups were available and kept busy greeting members, answering questions about their group and managing the signing-up. Thanks to each of these individual Interest Group Conveners who provide leadership for what is the most active part of our club. Our refreshments for the evening included delightful 60th Anniversary cookies home-baked by Mary MacMillan – thanks Mary.

Thanks to Lee Fullerton who has again taken on responsibility for our magazine drive. This is an opportunity for you to subscribe to your usual magazines and to direct a portion of that normal subscription fee to CFUW. Lee provided the details. This campaign is open until November after which there will be a draw for a 19 inch TV. If you plan to get magazines for yourself or as gifts for someone else, consider getting them through this campaign.

At our September meeting, 18 new members joined. As you meet them in your Interest Groups and at General Meetings, please welcome them into our Club. During my remarks at the September meeting, I said how important it is for us to continue to recruit a wide diversity of new members to our Club if we are to remain strong, vital and relevant. Every member is an ambassador for the Club and has a role in recruiting new members - I encourage each of you to tell other women about us. October is our Guest Night so "Tell a Friend – Bring a Friend".

The speaker at our October meeting is The Honourable Jean Augustine. Many of you will know Jean from her many years serving as MP for Etobicoke-Lakeshore. Prior to that she was a principal in Etobicoke schools. Jean is now Commissioner for The Ontario Fairness Commission. I'm sure her talk will be interesting and educational. I hope you are able to attend this meeting.

In our continuing effort to be as environmentally responsible as possible, we will not be providing cups for coffee and tea at our meetings – please bring your own mug. See you on October 11 at 7:30 at Fairfield.

CFUW NATIONAL NEWS

CFUW Supports Post-Secondary Education with Over \$1 Million in Scholarship and Bursary Funding for Women

In the past year local clubs of the Canadian Federation of University Women (CFUW) have awarded over \$1, 040, 000 in bursaries and scholarships to help women pursue post-secondary education. Each year similar levels of financial support are given to female students across the country.

At the CFUW Annual General Meeting held in Victoria B.C. from June 21-24, CFUW’s National President Susan Murphy praised members for their ongoing commitment to the education of women and girls through these outstanding annual contributions. “This is an organization that believes in the power of education. We have a proud tradition of supporting Canadian women in their educational choices, and have historically impacted thousands of lives”.

“Barriers to post-secondary education for women continue to exist, particularly with the increasing cost of tuition. Women are disproportionately affected by student debt after graduation, often taking longer, because of lower earning power, to pay off their loans. The funding provided by CFUW members makes a real difference”, said Murphy.

In addition to the funds raised and distributed on a local basis, CFUW also gave \$89,000 for 15 fellowships and awards through its National Trust. This funding is available on an annual basis to Canadian women studying at the graduate level at home and abroad.
